Renewals & Reboots

The end of the year is quickly approaching! Make sure to get your renewal and reboot payments in as soon as possible to avoid delays due to the holidays.

We are here to help- Let us know if you have any questions!

TC+ and Daylight Savings Time

As you know, in November we “fall back” an hour. If you’re on TC+ (formerly iAssess) and you changed your profile or project time zone to reflect DST to address the ETA100 error – you may want to reset it back to ST for your candidates.

Otherwise, their tests may expire an hour earlier.
