DEAR FRIENDS,

Welcome to 2024!

I'm thrilled to share exciting updates from Talevation aimed at enhancing your experience with our services.

We've added new Skills and Behavioral Assessments vendors to provide a more comprehensive view of candidates, helping you make informed hiring decisions that align with your organization's culture.

Additionally, we've introduced "Client Success Coaches" with industry experience. These dedicated coaches are here to provide personalized support, fostering open communication, and addressing your needs both pre and post-hiring.

These enhancements reflect our commitment to being your trusted talent solutions partner, delivering end-to-end support for your success.

Thank you for choosing Talevation. We look forward to continuing to elevate your success.

Warm regards, (and a high-five)

Adrian Jagow
